## Unifi Announces New Stock Repurchase Program

October 31, 2018

GREENSBORO, N.C., Oct. 31, 2018 /PRNewswire/ -- Unifi, Inc. (NYSE: UFI), one of the world's leading innovators in recycled and synthetic yarns, today announced that the board of directors had approved a new stock repurchase program under which the Company is authorized to repurchase up to \$50 million of the Company's common stock. Stock repurchases will be made from time to time in the open market at prevailing market prices, through private transactions or block trades. The timing and amount of repurchases will depend on market conditions, stock price, applicable legal requirements and other factors. This stock repurchase program is discretionary and has no expiration date. The board of directors also terminated the Company's prior stock repurchase program, which was approved by the board in April 2014.

### **About Unifi:**

### **Cautionary Statement on Forward-Looking Statements**

Certain statements included herein contain forward-looking statements within the meaning of federal securities laws. The words "believe," "may," "could," "will," "should," "would," "anticipate," "plan," "estimate," "project," "expect," "intend," "seek," "strive" and words of similar import, or the negative of such words, identify or signal the presence of forward-looking statements. These statements are not statements of historical fact, and they involve risks and uncertainties that may cause our actual results, performance or financial condition to differ materially from the expectations of future results, performance or financial condition that we express or imply in any forward-looking statement.

Factors that could contribute to such differences include, but are not limited to: the competitive nature of the textile industry and the impact of global competition; changes in the trade regulatory environment and governmental policies and legislation; the availability, sourcing and pricing of raw materials; general domestic and international economic and industry conditions in markets where Unifi competes, including economic and political factors over which Unifi has no control; changes in consumer spending, customer preferences, fashion trends and end uses for products; the financial condition of Unifi's customers; the loss of a significant customer or brand partner; natural disasters, industrial accidents, power or water shortages, extreme weather conditions and other disruptions at one of our facilities; the success of Unifi's strategic business initiatives; the volatility of financial and credit markets; the ability to service indebtedness and fund capital expenditures and strategic business initiatives; the availability of and access to credit on reasonable terms; changes in foreign currency exchange, interest and inflation rates; fluctuations in production costs; the ability to protect intellectual property; the strength and reputation of our brands; employee relations; the ability to attract, retain and motivate key employees; the impact of environmental, health and safety regulations; the impact of tax laws, the judicial or administrative interpretations of tax laws and/or changes in such laws or interpretations; the operating performance of joint ventures and other equity method investments; and the accurate financial reporting of information from equity method investees.

All such factors are difficult to predict, contain uncertainties that may materially affect actual results and may be beyond our control. New factors emerge from time to time, and it is not possible for management to predict all such factors or to assess the impact of each such factor on Unifi. Any forward-looking statement speaks only as of the date on which such statement is made, and we do not undertake any obligation to update any forward-looking statement to reflect events or circumstances after the date on which such statement is made, except as may be required by federal securities laws. The above and other risks and uncertainties are described in Unifi's most recent annual report on Form 10-K, and additional risks or uncertainties may be described from time to time in other reports filed by Unifi with the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended.
