Securities Act.

The following table sets forth the number of shares each Selling Shareholder has acquired or will acquire upon exercise of options granted under the Plans.

Selling Shareholder	Position with Company	Shares Owned	Shares Acquired Under Plan to be sold	Shares to be Owned After Sale	
				Number	% of outstanding Shares

Gary L. Ellison	Employee	700	700	-	-
Sarah Carlisle V. P. of	Plan. & Cust. Rel. of USY	9,785	9,785	-	-

It is intended that the foregoing list and information will be supplemented by a Prospectus Supplement or updated prospectus to be filed with the Commission pursuant to Rule 424 of the Commission's General Rules and Regulations under the Securities Act of 1933, as amended, to include the names of additional optionees who acquire Shares under the Plans and may sell such shares pursuant to this Prospectus.

PLANS FOR SALE OF SHARES

The Selling Shareholders may sell, pursuant to this Prospectus, any or all of the Shares (being the Common Stock acquired by them under the Plans) at any time or from time to time. The Selling Shareholders may sell the Shares from time to time in one or more transactions through members of the National Association of Securities Dealers or otherwise. The Company's Common Stock is listed on the NYSE and it is assumed that the Shares will be offered for sale on the NYSE. Such transactions may be effected by the Selling Shareholders at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices. The Selling Shareholders may effect such transactions by selling Shares to or through brokers or dealers, and such brokers or dealers will receive compensation in the form of commissions or discounts from the Shareholders and may receive markups or commissions from the purchasers of Shares for whom they may act as agent. A broker or dealer selling Shares for the Selling Shareholders or purchasing such Shares from the Selling Shareholders

5

for purposes of resale may be deemed to be an underwriter under the Securities Act and any compensation received by any such broker or dealer may be deemed underwriting compensation. The Company cannot presently estimate the amount of such compensation; however, the Company has no reason to believe that such discounts or commissions from the Selling Shareholders will exceed those customary in the types of transactions involved.

The Company knows of no plan to offer the Shares through underwriters nor of any existing arrangements between any Selling Shareholder and any broker.

The Company will pay the expenses and fees incurred in connection with registration of the shares under Federal law and the qualification of the shares for sale under applicable state laws. The Selling Shareholders will pay any other fees and expenses which they may incur in connection with their sales of the Shares.

INTERESTS OF NAMED EXPERTS AND COUNSEL

C. Clifford Frazier, Jr., the Secretary of Unifi, is a partner in the law firm of Frazier, Frazier & Mahler, which serves as general counsel to Unifi. Members of Frazier, Frazier & Mahler beneficially own approximately 54,000 shares of the outstanding shares of Unifi Common Stock on May 20, 1994.

INDEMNIFICATION OF DIRECTORS AND OFFICERS

The Company's Bylaws provide that the Company shall indemnify a director, officer or employee of the Company who is a party to or is threatened to be made a party to any proceeding or action against all expenses, liability and loss reasonably incurred in connection with such a proceeding, to the fullest extent authorized by the New York Business Corporation Law, except that the Company may not indemnify a director, officer or employee for expenses in connection with a proceeding that such director, officer or employee initiated unless the Company authorized the proceeding. Section 721 of the New York Business Corporation Law prohibits indemnification of directors and officers if (i) in a judgment against the director or officer or in another final adjudication adverse to him it is determined that such director or officer either acted in bad faith or acted with deliberate dishonesty, and his actions were material to the adjudication, or (ii) the director or officer personally gained a financial profit or other advantage to which he was not entitled.

Pursuant to the Company's Certificate of Incorporation, a director of the Company is generally not subject to monetary damages for negligence and gross negligence, including grossly negligent business decisions involving takeover proposals for the Company, in the performance of the director's duty of care. Other remedies, such as injunctive relief against, and rescission of actions taken by, the directors are still available. A director remains liable for monetary damages, however, if (i) the director's acts or omissions were in bad faith or involved intentional misconduct or a

6

knowing violation of the law; (ii) the director personally gained a financial profit or other advantage to which the director was not legally entitled; or (iii) the director's acts violated laws of the New York Business Corporation Law relating to the payment of dividends, purchase of shares or distributions of assets after dissolution.

As authorized by its Bylaws and by statute, the Company has purchased liability insurance policies providing an aggregate of \$20,000,000 coverage for all directors and officers of the Company and providing for reimbursement to the Company for payments made on behalf of directors and officers pursuant to the indemnification provisions.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or persons controlling the Company pursuant to the foregoing provisions, the Company has been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is therefore unenforceable.

LEGAL OPINIONS

The legality of the Shares has been passed upon for the Company by Frazier, Frazier & Mahler, 102 N. Elm Street, Suite 206, Southeastern Building, Greensboro, North Carolina 27402, who has relied as to matters governed by New York law upon the opinion of

Kreindler & Relkin, P.C., Suite 6500 The Empire State Building, 350 5th Avenue, New York, New York 10118.

C. Clifford Frazier, Jr., the Secretary of Unifi, is a partner in the law firm of Frazier, Frazier & Mahler, which serves as general counsel to Unifi. Members of Frazier, Frazier & Mahler beneficially own approximately 54,000 shares of the outstanding shares of Unifi Common Stock on May 20, 1994.

Item 6. Indemnification of Directors and Officers.

The Registrant's Bylaws provide that the Registrant shall indemnify a director, officer or employee of the Registrant who is a party to or is threatened to be made a party to any proceeding or action against all expenses, liability and loss reasonably incurred in connection with such a proceeding, to the fullest extent authorized by the New York Business Corporation Law, except that the Registrant may not indemnify a director, officer or employee for expenses in connection with a proceeding that such director, officer or employee initiated unless the Registrant authorized the proceeding. Section 721 of the New York Business Corporation Law prohibits indemnification of directors and officers if (i) in a judgment against the director or officer or in another final adjudication adverse to him it is determined that such director or officer either acted in bad faith or acted with deliberate dishonesty, and his actions were material to the adjudication, or (ii) the director or officer personally gained a financial profit or other advantage to which he was not entitled.

Pursuant to the Registrant's Certificate of Incorporation, a director of the Registrant is generally not subject to monetary damages for negligence and gross negligence, including grossly negligent business decisions involving takeover proposals for the Registrant, in the performance of the director's duty of care. Other remedies, such as injunctive relief against, and rescission of actions taken by, the directors are still available. A director remains liable for monetary damages, however, if (i) the director's acts or omissions were in bad faith or involved intentional misconduct or a knowing violation of the law; (ii) the director personally gained a financial profit or other advantage to which the director was not legally entitled; or (iii) the director's acts violated laws of the New York Business Corporation Law relating to the payment of dividends, purchase of shares or distributions of assets after dissolution.

The foregoing is only a general summary of certain aspects of New York law dealing with indemnification and liability of directors and officers and does not purport to be complete. It is qualified in its entirety by reference to the relevant statutes which contain detailed, specific provisions regarding the circumstances under which and the person for whose benefit indemnification shall or may be made. Section 721 of the New York Business Corporation Law is set forth in Exhibit 99.1 hereto and is incorporated herein by reference.

As authorized by the Bylaws and by statute, the Registrant has purchased liability insurance policies providing an aggregate of \$20,000,000 coverage for all directors and officers of the Registrant and providing for reimbursement to the Registrant for payments made on behalf of directors and officers pursuant to the indemnification provisions.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the Registration Statement is on Form S-3 (Section 239.13 of this chapter) or Form S-8 (Section 239.16b of this chapter) and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

II-4

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) If the registrant is a foreign private issuer, to file a post-effective amendment to the Registration Statement to include any financial statements required by Section 210.3-19 of this chapter at the start of any delayed offering or throughout a continuous offering. Financial statements and information otherwise required by Section 10(a)(3) of the Act need not be furnished, provided that the registrant includes in the prospectus, by means of a post-effective amendment, financial statements required pursuant to this paragraph (a)(4) and other information necessary to ensure that all other information in the prospectus is at least as current as the date of those financial statements.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(h) Insofar as indemnification for liabilities arising under

the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by the director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Re: Registration Statement on Form S-8 of the Unifi, Inc.
1992 Incentive Stock Option Plan and the Unifi
Spun Yarns, Inc.'s 1992 Employee Stock Option
Plan

Gentlemen:

We have acted as counsel to Unifi, Inc., a New York corporation (the "Corporation"), in connection with the registration under the Securities Act of 1933, as amended, pursuant to the Registration Statement on Form S-8 (the "Registration Statement") filed with the Securities and Exchange Commission (the "Commission") on May 25, 1994, of the Unifi, Inc. 1992 Incentive Stock Option Plan and the Unifi Spun Yarns, Inc.'s 1992 Employee Stock Option Plan (the "Plans"). This opinion letter is Exhibit 5.1 to the Registration Statement.

In rendering this opinion, we have relied upon an officer's certificate as to corporate action heretofore taken with respect to the Plans. We have also relied on an opinion of counsel licensed to practice law in the State of New York, as to matters of law in that state.

Based on the foregoing, we are of the opinion that Shares of the Corporation's Common Stock, \$.10 par value, to be issued by the Corporation pursuant to the terms and conditions of the Plans, are legally authorized, and when such Shares shall have been issued upon the terms and conditions set forth in the Plans, then such Shares shall be validly issued, fully paid and nonassessable.

We hereby consent (1) to be named in the Registration Statement as attorneys who passed upon the legality of the Shares, and (2) to the filing of a copy of this opinion as Exhibit 5.1 to the Registration Statement.

Very truly yours,

Frazier, Frazier & Mahler

Provisions of New York Business Corporation Law
with respect to Indemnification
of Directors and Officers

Section 721. Nonexclusivity of Statutory Provisions for Indemnification of Directors and Officers. The indemnification and advancement of expenses granted pursuant to, or provided by, this article shall not be deemed exclusive of any other rights to which a director or officer seeking indemnification or advancement of expenses may be entitled, whether contained in the certificate of incorporation or the bylaws or, when authorized by such certificate of incorporation or bylaws, (i) a resolution of shareholders, (ii) a resolution of directors, or (iii) an agreement providing for such indemnification, provided that no indemnification may be made to or on behalf of any director or officer if a judgment or other final adjudication adverse to the director or officer establishes that his acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the cause of action so adjudicated, or that he personally gained in fact a financial profit or other advantage to which he was not legally entitled. Nothing contained in this article shall affect any rights to indemnification to which corporate personnel other than directors and officers may be entitled by contract or otherwise under law.

1992 EMPLOYEE STOCK OPTION PLAN

OF

VINTAGE YARNS, INC.

1992 EMPLOYEE STOCK OPTION PLAN OF
VINTAGE YARNS, INC.

1. Purpose

This plan (the "plan") is intended to encourage and enable selected key employees of Vintage Yarns, Inc. (the "Corporation") to acquire or to increase their holdings of nonvoting common stock of the Corporation (the "shares") in order to promote a closer identification of their interests with those of the Corporation and its shareholders, thereby further stimulating their efforts to enhance the efficiency, soundness, profitability, growth and shareholder value of the Corporation. This purpose will be carried out through the granting of incentive stock options ("incentive options") and nonqualified stock options ("nonqualified options"). Incentive options and nonqualified options shall be referred to

herein collectively as "options."

2. Administration of the Plan

The plan shall be administered by the Board of Directors of the Corporation (the "Board"). Any action of the Board may be taken by a written instrument signed by all of the members of the Board and any action so taken by written consent shall be as fully effective as if it had been taken by a majority of the members at a meeting duly held and called. Subject to the provisions of the plan, the Board shall have full and final authority, in its discretion, to take any action with respect to the plan including, without limitation, the following: (i) to determine the individuals to receive options, the nature of each option as an incentive option or a nonqualified option, the times when options shall be granted, the number of shares to be subject to each option, the option price (determined in accordance with Paragraph 6), the option period, and the time or times when each option shall be exercisable; (ii) to prescribe the form or forms of the agreements evidencing any options granted under the plan; (iii) to establish, amend and rescind rules and regulations for the administration of the plan; (iv) to construe and interpret the plan, the rules and regulations, and the agreements evidencing options granted under the plan; and (v) to make all other determinations deemed necessary or advisable for administering the plan.

3. Effective Date

The effective date of the plan shall be April 1, 1992. Options may be granted under the plan on or after the effective date, but not after March 31, 2002.

4. Options; Shares of Stock Subject to the Plan

Both incentive options and nonqualified options, as designated by the Board, may be granted under the plan. For purposes of the plan, 5,331 shares of nonvoting common stock may be issued pursuant to the exercise of options granted hereunder, and the Corporation has reserved sufficient authorized shares to provide for the exercise of such options. Any shares subject to an option which, for any reason, expires or is terminated unexercised as to such shares may again be subjected to an option granted under the plan.

5. Eligibility

An option may be granted only to an individual who satisfies the following eligibility requirements on the date the option is granted:

(a) The individual is an employee of the Corporation or a related corporation. For this purpose, an individual shall be considered to be an "employee" only if there exists between the individual and the Corporation or a related corporation the legal and bona fide relationship of employer and employee. In determining whether such a relationship exists, the regulations of the United States Treasury Department relating to the determination of the employment relationship for the purpose of collection of income tax on wages at the source shall be applied.

(b) The individual falls within the classification of key employees of the Corporation or a related corporation. For this purpose, "key employees" are those employees of the Corporation who the Board determines are in a position materially to affect the profits of the Corporation or such related corporation by reason of the nature and extent of each such employee's duties, responsibilities, personal capabilities, performance and potential.

(c) With respect to the grant of an incentive option, the individual does not own, immediately before the time that the incentive option is granted, stock possessing more than ten percent of the total combined voting power of all classes of stock of the Corporation or a related corporation; provided, that an individual owning more than ten percent of the total combined voting power of all classes of stock of the Corporation or a related corporation may be granted an incentive option if the price at which such option may be exercised is greater than or equal to 110 percent of the fair market value of the shares on the date the option is granted and the period of the option does not exceed five years. For this purpose, an individual will be deemed to own stock which is attributed to him under Section 424(d) of the Internal Revenue Code (the "Code").

(d) The individual, being otherwise eligible under this Paragraph 5, is selected by the Board as an individual to whom an option shall be granted (and "optionee").

6. Option Price

The price per share at which an option may be exercised (the "option price") shall be established by the Board and set forth in the terms of the option agreement. For this purpose, the following rules shall apply:

(a) An option shall be considered to be granted on the date that the Board acts to grant the option, or on any later date specified by the Board as the effective date of the option.

(b) In no event shall the option price per share of an incentive option be less than the fair market value per share of the shares on the date the option is granted. For this purpose, the fair market value of the shares shall be determined in good faith by the Board in accordance with the applicable provisions of Section 20.2031-2 of the Federal Estate Tax Regulations, or in any other manner consistent with the Code and accompanying regulations.

(c) In no event shall there first become exercisable by the optionee in any one calendar year incentive stock options granted by the Corporation or any related corporation with respect to shares having an aggregate fair market value (determined at the time an option is granted) greater than \$100,000.

7. Option Period and Limitations on the Right to Exercise Options

(a) The period during which an option may be exercised (the "option period") shall be determined by the Board when the option is granted and shall extend from the date on which the option is granted to a date not more than ten years from the date on which the option is granted. Subject to the restriction contained in the preceding sentence and as otherwise provided in this plan, an option shall be exercisable on such date or dates, during such period, for such number of shares, and subject to such conditions as shall be determined by the Board and set forth in the agreement evidencing such option, subject to the rights granted herein to the Board in specified circumstances to accelerate the time when options may be exercised. An option may not be exercised before the plan has been approved by the shareholders of the Corporation, which approval must occur, if at all, within one year of the date on which the plan is adopted by the Board. Any option or portion thereof not exercised before the expiration of the option period shall terminate.

(b) An option may be exercised by giving written notice of at least 30 days to the Board at such place as the Board shall direct. Such notice shall specify the number of shares to be purchased pursuant to an option and the aggregate purchase price to be paid therefor, and shall be accompanied by the payment of such

purchase price in cash. The closing with respect to the exercise of an option shall occur on the January 1, April 1, July 1 or October 1 which next follows by at least 30 days the date notice of exercise is given by the optionee to the Board, and shall take place at the principal place of business of the Corporation, or such other place as the Board and the optionee shall agree.

(c) No option shall be exercised unless the optionee is, at the time of exercise, an employee as described in Paragraph 5(a), and shall have been an employee continuously since the date the option was granted, subject to the following:

(i) An option shall not be affected by any change in the terms, conditions or status of the optionee's employment, provided that the optionee continues to be an employee of the Corporation or a related corporation.

(ii) The employment relationship of an optionee shall be treated as continuing intact for any period that the optionee is on military or sick leave or other bona fide leave of absence, provided that the period of such leave does not exceed ninety days, or, if longer, as long as the optionee's right to reemployment is guaranteed either by statute or by contract. The employment relationship of an optionee shall also be treated as continuing intact while the optionee is not in active service because of disability; provided, that shares acquired by the optionee pursuant to exercise of an incentive option shall be subject to Sections 421 and 422 of the Code only if and to the extent that such exercise occurs within twelve months less one day following the date the optionee's employment is considered to be terminated because of such disability under Section 422. For purposes of this subparagraph (c)(ii), "disability" shall mean the inability of the optionee to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death, or which has lasted or can be expected to last for a continuous period of not less than twelve months. The Board shall determine whether an optionee is disabled within the meaning of this subparagraph.

(iii) If the employment of an optionee is terminated because of death or disability, the option may be exercised only to the extent exercisable on the date of the optionee's termination of employment (the "termination date"), except that the Board may in its discretion accelerate the date for exercising all or any part of the option which was not otherwise exercisable on the optionee's termination date. The option must be exercised, if at all, prior to the earlier of: (A) the first anniversary of the optionee's termination date; or (B) the close of the option period. In the event of the optionee's death, such option shall be exercisable by such person or persons as shall have acquired the right to exercise the option by will or by the laws of intestate succession. For purposes of this subparagraph (c)(iii) and subparagraph (c)(iv) immediately following, "disability" shall mean a condition with respect to an optionee occurring while he is employed by the Corporation and defined as a "disability" under the Corporation's long term disability insurance policy which may be in effect from time to time, as determined by a medical doctor selected or approved by the Corporation. In the event that there is no disability insurance policy owned by the Corporation and in effect, disability shall mean the inability, by reason of physical or mental infirmity, or both, of an optionee to perform his duties as an employee of the Corporation, as determined by the Board.

(iv) If the employment of the optionee is terminated for any reason other than death or disability, his option may be exercised only to the extent exercisable on the date of such termination of employment, except that the Board may in its discretion accelerate the date of exercising all or any part of the

option which was not otherwise exercisable on the date of such termination of employment. The option must be exercised, if at all, on or before the date of termination of the optionee's employment.

(d) No option shall be exercised unless and until the optionee (or, if applicable, his legal representative, legatee or distributee) shall first become a party to the certain Amended and Restated Shareholders Agreement dated as of April 27, 1988, as amended, which is in effect between the Corporation and some or all of its shareholders.

(e) No option shall be exercised if such exercise shall cause the Corporation to exceed the maximum number of permitted shareholders for purposes of the Corporation's election of Subchapter-S status under Section 1361(b)(1)(A) of the Code.

(f) An optionee or his legal representative, legatees or distributees shall not be deemed to be the holder of any shares subject to an option unless and until certificates for such shares are issued to him or them under the plan.

(g) Nothing in the plan shall confer upon the optionee any right to continue in the employment of the Corporation or a related corporation, or to interfere in any way with the right of the Corporation or a related corporation to terminate the optionee's employment at any time.

8. Nontransferability of Options

An option shall not be transferable (including by pledge or hypothecation) other than by will or the laws of intestate succession, and an option shall be exercisable during the optionee's lifetime only by him.

9. Dilution or Other Adjustments

If there is any change in the outstanding shares of common stock of the Corporation as a result of a merger, consolidation, reorganization, stock dividend, stock split to holders of shares that is distributable in shares, or other change in the capital stock structure of the Corporation or a related corporation, the Board shall make such adjustments to options, to the number of shares reserved for issuance under the plan, and to any provisions of this plan as the Board deems equitable to prevent dilution or enlargement of options or otherwise advisable to reflect such change.

10. Withholding

The Board shall require any recipient of shares pursuant to exercise of a nonqualified option, or on the surrender of any option, to pay to the Corporation in cash the amount of any tax or other amount required by any governmental authority to be withheld and paid over by the Corporation to such authority for the account of such recipient. Notwithstanding the foregoing, the recipient may satisfy such obligation in whole or in part, and any other local, state, or federal income tax obligations resulting from the exercise of a nonqualified option, or the surrender of any option, by electing (herein, the "Election") to deliver to the Corporation shares owned by the optionee at the time of exercise or surrender, or to have the Corporation withhold from the shares to which the recipient is entitled. The number of shares to be delivered or withheld shall have a fair market value as of the date that the amount of tax to be withheld is determined (the "Tax Date") as nearly equal as possible to (but not exceeding) the amount of such obligations being satisfied. The following rules shall apply with respect to Elections:

(a) Each Election must be made in writing to the Board prior to the Tax Date. The Board may reject any Election, or may suspend or terminate the right to make an Election. An Election, once made by the recipient and accepted by the Board, shall be irrevocable.

(b) The fair market value of shares to be delivered or withheld shall be determined pursuant to the provisions of Section 6(b).

11. Certain Definitions

For purposes of the plan, the following terms shall have the meaning indicated:

(a) "Related corporation" means any parent, subsidiary or predecessor of the Corporation.

(b) "Parent" or "parent corporation" shall mean any corporation (other than the Corporation) in an unbroken chain of corporations ending with the Corporation if, at the time as of which a determination is being made, each corporation other than the Corporation owns stock possessing fifty percent or more of the total combined voting power of all classes of stock in another corporation in the chain.

(c) "Subsidiary" or "subsidiary corporation" means any corporation (other than the Corporation) in an unbroken chain of corporations beginning with the Corporation if, at the time as of which a determination is being made, each corporation other than the last corporation in an unbroken chain owns stock possessing fifty percent or more of the total combined voting power of all classes of stock in another corporation in the chain.

(d) "Predecessor" or "predecessor corporation" means a corporation which was a party to a transaction described in Section 424(a) of the Code (or which would be so described if a substitution or assumption under that section had occurred) with the Corporation, or a corporation which is a parent or subsidiary of the Corporation, or a predecessor of any such corporation.

(e) In general, terms used in the plan shall, where appropriate, be given the meaning ascribed to them under the provisions of the Code applicable to incentive stock options.

12. Stock Option Agreement

The grant of any option under the plan shall be evidenced by the execution of an agreement (the "Agreement") between the Corporation and the optionee. Such Agreement shall set forth the date of grant of the option, the option price, the option period, the designation of the option as an incentive option or a nonqualified option, and the time or times when and the conditions upon the happening of which the option shall become exercisable. Such Agreement shall also set forth the restrictions, if any, with respect to which the shares to be purchased thereunder shall be subject, and such other terms and conditions as the Board shall determine, which are consistent with the provisions of the plan and applicable law and regulations.

13. Restrictions on Shares

The Corporation may impose such restrictions on any shares purchased under the plan as it may deem advisable, including, without limitation, restrictions on transfer pursuant to any shareholder agreement to which the optionee is a party, under the Securities Act of 1933, as amended, and under any blue sky or securities laws applicable to such shares. The Corporation may

cause a restrictive legend to be placed on any certificate issued pursuant to the exercise of an option in such form as may be prescribed from time to time by applicable laws and regulation or as may be advised by legal counsel.

14. Amendment or Termination

The plan may be amended or terminated by action of the Board; provided, that:

(a) Any change in (i) the aggregate number of shares which may be issued under the plan (other than changes as described in Paragraph 10), or (ii) the description of the class of employees eligible to receive options under the plan, shall be made only with the approval of the shareholders of the Corporation.

(b) No option shall be adversely affected by a subsequent amendment or termination of the plan.

(c) No option shall be amended (i) without the consent of the optionee, and (ii) if the option is an incentive option, without the opinion of legal counsel to the Corporation that such amendment will not constitute a "modification" within the meaning of Section 424 of the Code if the Board determines such an opinion is necessary.

15. Shareholder Approval

The plan shall be submitted to the shareholders of the Corporation for approval by a majority of the shares of common stock of the Corporation that are entitled to vote thereon, which approval must occur, if at all, within twelve months following the effective date of the plan. All options granted prior to shareholder approval of the plan shall be conditional upon such approval, and no option shall be exercisable prior to such approval.

16. Applicable Law

Except as otherwise provided herein, the plan shall be construed and enforced according to the laws of the State of North Carolina.

IN WITNESS WHEREOF, this Stock Option Plan has been executed in behalf of the Corporation effective as of the 1st day of April, 1992.

[CORPORATE SEAL]

THIS AGREEMENT, made and entered into as of the 23rd day of April, 1993, by and among VINTAGE YARNS, INC., a North Carolina corporation ("Vintage"); UNIFI, INC., a New York Corporation ("Unifi"); and U.F. INVESTMENTS, INC., a North Carolina corporation and a wholly owned subsidiary of Unifi ("U.F.");

R E C I T A L S

Vintage sponsors the 1992 Employee Stock Option Plan of Vintage Yarns, Inc. (the "Plan"), under which there are currently outstanding incentive stock options granted to key employees of Vintage to acquire shares of Vintage Nonvoting Common Stock. Pursuant to the Agreement and Plan of Reverse Triangular Merger dated as of February 10, 1993 (the "Merger Agreement"), by and among Vintage, Unifi and U.F., U.F. will be merged into Vintage and Vintage will become a wholly owned subsidiary of Unifi (the "Merger"). Section 1.03(a) of the Merger Agreement, as amended effective April 22, 1993, provides that, upon the effective date of the Merger (the "Effective Date"), each stock option then outstanding under the Plan shall be amended to provide (i) that the option shall be to acquire 93.19776 shares of Unifi Common Stock for each share of Vintage Nonvoting Common Stock then subject to the option, and (ii) that the option price per share shall be converted from \$950.00 per share of Vintage Nonvoting Common Stock to \$10.194 per share of Unifi Common Stock. It is also necessary to amend the Plan to reflect changes in the Plan's administration following the Merger, and to comply with requirements of federal securities laws applicable to options to acquire publicly traded securities.

NOW, THEREFORE, the parties hereto hereby agree that the Plan and all options outstanding thereunder as of the Effective Date shall be amended as follows:

1. Delete the first sentence of Paragraph 1 of the Plan and substitute therefor the following:

"This plan (the 'plan') is intended to encourage and enable selected key employees of Vintage Yarns, Inc. (the 'Corporation') to acquire or to increase their holdings of common stock of the Corporation's parent, Unifi, Inc. (the 'shares') in order to promote a closer identification of their interests with those of the Corporation and Unifi, thereby further stimulating their efforts to enhance the efficiency, soundness, profitability, growth and shareholder value of the Corporation and Unifi."

2. Delete the first sentence of Paragraph 2 of the Plan and substitute therefor the following:

"The plan shall be administered by a committee appointed by the Board of Directors of Unifi, Inc. (the 'Committee'). The Committee shall consist of not fewer than two nor more than five members of the Board, as appointed from time to time by the Board. So long as the shares are registered under Section 12 of the Securities Exchange Act of 1934 (the 'Exchange Act'), each member of the Committee must be eligible to administer the plan pursuant to the disinterested administration requirements of Rule 16b-3(c)(2)(i) (or any successor rule) under the Exchange Act."

On and after the Effective Date, each subsequent reference in the Plan to "Board" shall be changed to "Committee".

3. Delete the second sentence of Paragraph 3 of the Plan and substitute therefor the following:

"Options may be granted under the plan on and after the effective date of the Plan, but not after the effective date of the

Merger pursuant to the Agreement and Plan of Reverse Triangular Merger dated as of February 10, 1993, by and among the Corporation, Unifi, Inc., and U.F. Investments, Inc."

4. Delete the second and third sentences of Paragraph 4 of the Plan and substitute therefor the following:

"For purposes of the plan, 496,837 shares of common stock of Unifi, Inc. may be issued pursuant to the exercise of options granted hereunder, and Unifi, Inc. has reserved sufficient authorized shares to provide for the exercise of such options. Any shares subject to an option which, for any reason, expires or is terminated unexercised as to such shares, shall not again be subjected to an option granted under the plan."

5. Delete subparagraph 10(b) of the Plan and substitute therefor the following:

"(b) the fair market value of the shares to be delivered shall mean, as of the particular date and in respect to any share, the closing price on such date or on the next business date, if such date is not a business day, of a share reflected in the consolidated trading tables of The Wall Street Journal (presently the NYSE-Composite Transactions) or any other publication selected by the Committee; provided that, if shares shall not have been traded on the New York Stock Exchange for more than 10 days immediately preceding such date, the fair market value of the shares shall be as determined by the Committee in good faith in such other manner consistent with applicable law.

(c) Notwithstanding the foregoing, so long as the optionee is subject to the provisions of Section 16 of the Exchange Act (as defined in paragraph 2, above) and rules and regulations thereunder, such optionee shall not be permitted to elect to satisfy all or any part of his withholding requirements by having the Corporation withhold shares unless the following conditions are satisfied:

(i) The Corporation or a related corporation has been subject to the reporting requirements of Section 13(a) of the Exchange Act for at least one year prior to the transaction and has filed all reports and statements required to be filed pursuant to such section for that year;

(ii) The Corporation or a related corporation releases for publication on a regular basis quarterly and annual summary statements of sales and earnings in accordance with Rule 16b-3(e)(1)(ii) under the Exchange Act (or any successor rule);

(iii) The election shall take effect during a period beginning on the third business day following the date of release of the financial data specified in subparagraph (ii) and ending on the twelfth business day following such date; and

(iv) The option being exercised has been held for a period of at least six months from the date of grant to the date of exercise."

6. As of the Effective Date, the option price of all options then outstanding under the Plan shall be changed from \$950.00 per share to \$10.194 per share, and the number of shares subject to each optionee's option shall be increased as set forth in Exhibit A hereto. Notwithstanding the foregoing, the Committee under the plan may adjust the number of shares subject to any option described in this Section 6 as required to comply with the provisions of Section 424(a) of the Internal Revenue Code of 1986, as amended, and rules and regulations thereunder.

IN WITNESS WHEREOF, this Agreement has been executed in behalf of each of the parties hereto, to be effective as of the Effective Date of the Merger, and contingent upon the consummation of the Merger according to the terms of the Merger Agreement.
